ATTACHMENT A

Property to Be Searched

1. The cellular telephone assigned call number **937-554-7700** (the "Target Cell Phone"), whose service provider is Verizon, a wireless telephone service provider headquartered at 180 Washington Valley Road, Bedminster, New Jersey, 07921.
2. Information about the location of the Target Cell Phone that is within the possession, custody, or control of Verizon including information about the location of the cellular telephone if it is subsequently assigned a different call number.

ATTACHMENT B

Particular Things to be Seized

All information about the location of the Target Cell Phone described in Attachment A for a period of thirty days, during all times of day and night. “Information about the location of the Target Cell Phone” includes all available E-911 Phase II data, Range-to-Tower (RTT) data, GPS data, latitude-longitude data, and other precise location information, as well as all data about which “cell towers” (i.e., antenna towers covering specific geographic areas) and “sectors” (i.e., faces of the towers) received a radio signal from the cellular telephone described in Attachment A.

To the extent that the information described in the previous paragraph (hereinafter, “Location Information”) is within the possession, custody, or control of Verizon, Verizon is required to disclose the Location Information to the government. In addition, Verizon must furnish the government all information, facilities, and technical assistance necessary to accomplish the collection of the Location Information unobtrusively and with a minimum of interference with Verizon’s services, including by initiating a signal to determine the location of the Target Cell Phone on Verizon’s network or with such other reference points as may be reasonably available, and at such intervals and times directed by the government. The government shall compensate Verizon for reasonable expenses incurred in furnishing such facilities or assistance.

This warrant does not authorize the seizure of any tangible property. In approving this warrant, the Court finds reasonable necessity for the seizure of the Location Information. *See* 18 U.S.C. § 3103a(b)(2).
